ABOUT ME

Hi, I'm Fanny, mom of 2, blogger, and YouTuber of Living Richly on a Budget.

I help busy people save with style through cooking delicious food, creative ways to get things that you need like glasses, resources like Google Sheets, planners, and courses, and videos.

I've been blogging since 2006, so I have been around awhile. I was also a wedding videographer for 5 years.

If that sounds interesting, I hope you stay for awhile.

In the meantime, **[check out my YouTube channel](#)** and subscribe if you'd like. Thanks for being here!

All the best,

Fanny
